

How to use the Careers Wales website to select your options

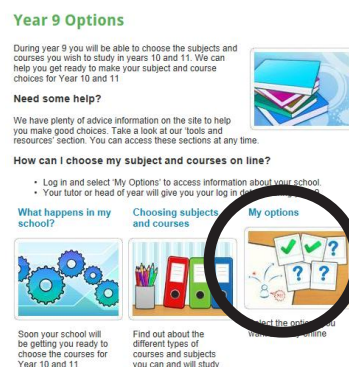

1. Login to www.careerswales.com
2. Hover over Education and Courses and click on the orange Options (3 arrows) icon.

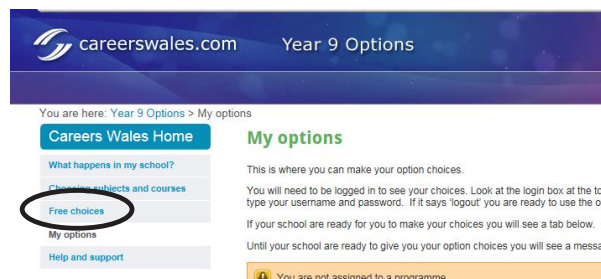

3. Select Year 9 Options

4. Go to My Options from where you can pick the subjects you want to take.

5. Click on Free Choices on the left hand side

6. Follow the instructions to select one subject in each of the three option blocks. You must also select 1 reserve subject in block 4.
7. Don't forget to SAVE before you exit the site.

You will not be able to make your choices until you have received your login and been show how to make your choices
