

2nd May 2018

Dear Parent/Carer,

Re: Amended Y11 Timetable, May 2018

The examinations begin in earnest next week, so in order to support your son/daughter, we have amended the timetable to include targeted revision sessions prior to each examination. The timetable is attached to this letter.

All students are required to be in school every day. They will attend either an examination for which they have been entered, a revision session prior to an exam or their normal timetabled lessons. Please take the time to look through it with your child and ensure s/he attends each day in order to benefit from the support of teaching staff in these last vital weeks.

The timetable will run from Friday May 4th – Friday May 25th inclusive. A revised version of the timetable will be issued prior to half term for the remainder of the examination period beginning Monday 4th June, together with a timetable of revision classes for the half term holiday.

Yours faithfully,

Dr. R. P. Evans
Headteacher
