

24<sup>th</sup> May 2018

Dear Parent/Carer,

**Re: May Half Term Revision Sessions and Amended Timetable June 2018**

In order to further support your son/daughter through the examination period, we have organized a number of targeted revision sessions in the coming weeks.

Firstly, your child is being offered a range of revision sessions during the next school holiday, **Monday 28<sup>th</sup> May – Friday 1<sup>st</sup> June**. The timetable is printed on the reverse of this letter. Each session is designed to last a maximum of 2.5 hours. There will be a 1 hour lunch break; the canteen will not be open, so please provide a packed lunch.

This is an excellent opportunity for students to gain extra support with their revision and we would be grateful if you could encourage attendance.

Secondly, we have amended the Y11 timetable to include targeted revision sessions prior to each examination from **Monday June 4<sup>th</sup> – Friday June 22<sup>nd</sup>** inclusive. This timetable is also printed on the reverse of this letter. During this period, all students are required to attend every examination for which they have been entered, all revision sessions prior to an exam or their normal timetabled lessons, until the last examination has been taken in that subject. Attendance at the Prom is dependent upon pupils attending **all exams** on their timetable and **all revision classes** during school weeks.

Please take the time to look through both timetables with your child and ensure s/he attends each day in order to benefit from the support of teaching staff in these last vital weeks.

Yours faithfully,

Dr. R. P. Evans  
Headteacher
