

Dr. R. P. Evans Pennaeth / Headteacher

Dear Parent/Guardian

By sending your child to Denbigh High School, you automatically become part of a committed, friendly school community, which cares deeply about ensuring that all individuals who pass through our doors are nurtured to become confident and capable people who will achieve success.

We are very excited to announce that we are launching the Friends of Denbigh High School in order to make the most of the huge support network which we know is out there, ready and willing to join us on the next part of our school's exciting journey. A friend of Denbigh High School could be a parent, a grandparent, or other family member who is keen to become more actively involved in fundraising and raising the profile of the school in the wider community. Past pupils, current pupils, staff past and present, and other individuals who have a connection with the school are more than welcome, so please pass this message on to anyone that you feel may wish to join us.

On Monday 21 May at 5pm in the Learning Resource Centre at school, we will be holding an initial meeting to discuss what we would like the Friends of Denbigh High School to be like: it is for all of us as a school community and so we would like to shape it together. If you would like to be a part of this exciting opportunity, please come along. If you are interested in the Friends of Denbigh High School but cannot attend the meeting, please indicate below and give your email address so that we can add you to a mailing list.

This initiative is to benefit the school community, specifically the students who come to Denbigh to receive the best possible start in life. The more people who are able to support the Friends of Denbigh High School, the greater chance we have of maximising the impact we can make.

We look forward to seeing you on Monday 21 May at 5pm.

Yours faithfully
