

1st May 2019

Dear Parent/Carer,

In order to further support your child during the examination season, we have organised a number of revision sessions to take place during the school day.

The Year 11 timetable has been further amended to include a revision session prior to each examination. The timetable attached is for the period Monday 3rd until Fri 14th June and outlines the examinations and the members of staff running the revision sessions. There will also be copies of this on the school website and in the school corridors.

All students will need to continue to attend all lessons until the SWEET qualification (BTEC Level 2 PSE) has been completed and signed off by the relevant member of staff. In addition, during this period, all pupils will be expected to attend every examination for which they have been entered, all revision sessions prior to an examination and their normal timetabled lessons until the last examination has been completed in that subject.

BTEC Business Studies and BTEC Health and Social Care students MUST have completed their portfolios before they are permitted to stop attending these lessons.

Students will NOT be required to attend lessons for which examinations and/or portfolios have been completed, once the SWEET portfolio has been signed off. A work area for revision in the Learning Resource Centre will be provided for students who need to remain in school but do not have classes or an examination.

Attendance at the Year 11 Prom is dependent upon pupils attending as outlined above.

The timetable for revision classes during the upcoming half-term is also provided.

This is an excellent opportunity for pupils to gain extra support with their revision and we would be grateful if you could continue to encourage full attendance during these vital weeks.

Should you have any queries please do not hesitate to contact me.

Yours faithfully,

Mr. D. Wilde
Deputy Headteacher

Whit Revision Classes 2019

Session	Monday 27th May	Tues 28th May	Wed 29th May	Thursday 30th May	Fri 31st May
