

1st May 2019

Dear Parent/Carer,

In order to further support your child during the examination season, we have organised a number of revision sessions to take place during the school day.

The Year 11 timetable has been amended to include a revision session prior to each examination. The timetable attached is for the period 7th to 24th May and outlines the examinations and the members of staff running the revision sessions. There will also be copies of this on the school website and in the school corridors.

During this period, all pupils will be expected to attend every examination for which they have been entered, all revision sessions prior to an exam and their normal timetabled lessons until the last examination has been completed in that subject. Attendance at the Year 11 Prom is dependent upon pupils attending as outlined above.

The timetable for the period following the Spring half-term, and for revision sessions during the half-term, will be issued in due course.

This is an excellent opportunity for pupils to gain extra support with their revision and we would be grateful if you could continue to encourage full attendance during these vital weeks.

Should you have any queries please do not hesitate to contact me.

Yours faithfully,

Mr. D. Wilde
Deputy Headteacher
