

Year 6 Competition Challenge Grid

Welcome to your **Denbigh High School** challenge grid! You are invited to take up the challenge of completing one of the challenges in the grid below, at home, each week until the end of term. You can choose which challenge to do when and complete as many, or as few, of the challenges as you wish. When you have completed the challenge, upload your work or a photograph of it (and yourself if you don't mind your photo being on our social media!) with your **name and primary school** to our dedicated email: transition@denbighhighschool.co.uk

We will showcase the work submitted via our social media platforms and there are prizes to be won each week just for entering! Good Luck!
