

Denbigh High School's Education Improvement Grant (EIG) Statement

The purpose of the Education Improvement Grant is to improve educational outcomes for all learners and reduce the impact of deprivation on learner outcomes by:

- improving the quality of teaching & learning;
- addressing learners' barriers to learning and improving inclusion;
- improving the leadership of educational settings; and
- improving the provision for learners and the engagement of learners.

The EIG supports our national priorities for schools, including improved outcomes in literacy and numeracy and reducing the impact of deprivation on educational outcomes. The EIG also supports the strategic objectives set out in Qualified for Life, the Welsh Government's long-term vision for education for 3-19 year old learners in Wales, ensuring a better alignment between strategy and policy objectives and implementation and delivery.

In 2020-21 Denbigh High School were allocated a total Education Improvement Grant of £24,875.

We intend to use the funding available to support the provision of:

- Release of staff to attend training events
- Improving middle leadership within school by releasing staff to complete ILM Level 5 Leadership and Management
- Resources to support the improvement of literacy and numeracy
- Resources to support engagement of learners including home learning and communication with parents
