Expectations

BELIEVE
EXCEED

Expectation concern

Your behaviour does not meet school expectations—you need to refocus and re-engage with your learning.

Yellow card

Your behaviour is preventing yourself and others from learning. This is a serious situation and you will need to have a restorative conversation with the teacher at the end of the lesson to resolve the matter.

Red card

Your behaviour is so disruptive that the lesson cannot reasonably continue with you in the room. You will be collected from class and taken to isolation.
