Dear Parent/Carer,

Year 10 Information Evening

As a parent/carer of a learner in our Year 10 cohort, I would like to invite you to a virtual online Information Evening scheduled for next Thursday, 23rd September at 5:30 p.m. It is expected that the meeting will last for approximately 30-40 minutes.

The purpose of the meeting is to provide information about how we intend to support Year 10 over the coming months following the break in their learning due to the forced closure of schools. The meeting will focus on:

- The structure of the GCSE and BTEC courses as well as an introduction to the Welsh Bacc qualification.
- The procedures the school is putting in place to ensure the continuance of educational provision should we have a second lockdown or require a period of self-isolation by either the learner or the teacher.
- Key dates and events relating to Year 10 during this academic year.
- Support for the wellbeing and mental health of our Year 10 learners.

We will be using Microsoft Teams as a means of delivering our presentation and you can find the link for the meeting on the Parentmail message that this letter is attached to. To join the meeting when the time comes, you simply click the link and follow the instructions which will pop up on your screen.

During this meeting we will be able to engage in the 'chat' facility to answer any questions you may have; however, please be aware that should you choose to use this facility to ask questions other members of the meeting will be able to view your personal details. If you would prefer, you are able to also contact us via our email facility where we will endeavor to answer your questions as quickly as possible. The address for this is ourschool@denbighhighschool.co.uk.

I hope that as many of you as possible can log-on and view our presentation; however, if you are unable to join us, we will upload the powerpoint to the Year 10 section of our website.

Yours faithfully,

Mr. D Wilde
Deputy Headteacher
